Monday, March 16 – Adult Committee meeting at 7:15pm. All adults in the troop are welcomed to come.

St. Rose Fish Fry

We have record breaking numbers the past fish frys and great participation by scouts. After hearing about some mopping problems from the Fish Fry on Feb. 27, the team of scouts at the March 6 Fish Fry did an excellent job both during the Fish Fry and afterwards with the cleaning. Rumor is that **Daniel Turner** was having such a great time that he did not want to leave until 11:30pm.

Thanks to parents who brought baked goods, helped during the Fish Fry and came with their families to eat. Special thanks to our Fish Fry Coordinators, **Karen Wise and Claire Turner,** who went beyond the call of duty and cleaning up dishes left by the Knights.

Don't forget that when you are scheduled please be on time. **Chris Billmaier** always sends out an email reminder. If you get sick, or can't make your assigned work time, please call Mr Billmaier ASAP.
