=======

Scout's Signature: _____

Parent's Signature: _____

PLEASE NOTE:

A scout may use his available Scout Dollars for one of two purposes: first, he may use his Scout Dollars to reduce his cost of any camp fees of his choice; or second, he may use his Scout Dollars to reduce the cost of any item he purchases from the Erie Shores Council (ESC), BSA Trading Post or by ordering through the catalog at the Scout Service Center, Toledo.

A Scout may also choose to use his scout dollars to reduce the cost of specific "scouting items" purchased at Woodville Surplus. No matter where the scout purchases his items, he must submit a receipt to the Troop 167 Treasurer before he can be reimbursed for the item. Reimbursement cannot exceed the cost of the item or the available scout dollars.

If a scout chooses not to re-register for the coming scout year beginning 2/1/XX, any unused Scout Dollars are made available for normal operating expenses of St. Rose Troop 167. The same applies once a scout reaches the age of 18.

Troop 167 has a policy of paying for campouts prior to the actual day of departure for the campout. All money paid in advance, including Scout Dollars, is used to pay expenses of the particular campout. Therefore, no money (including Scout Dollars) will be refunded to a scout if he does not show up for the campout.
